| Organization | **Southern Cross Logistics** |
| Tenant ID | `tnt_southerncross_8214` |
| Plan | **Growth · 14-day trial** |

**Set Your Password**

Minimum 8 characters

Activate My Organization →

This continues into the Organization Setup wizard, scoped to your tenant.

PHASE 6 · PLATFORM CONSOLE

# Multi-Tenant Architecture Complete

158 screens total. This phase closes the loop the earlier five assumed but never showed: how a business goes from a public request, through Super Admin review, to an automatically provisioned, tenant-isolated organization — and how platform staff manage every tenant afterward.

Super Admin Login & Dashboard · Tenant Approval Queue & Request Review · Approve & Provision (Tenant ID generation) · Tenant List & Tenant Details · Suspend / Reactivate · Platform Billing & Plans · Feature Flags · Platform Users & Roles · Platform Audit Log · Request Access (public) · Request Submitted · Tenant Invite Landing

aspslai.com · Prepared for Majid Ilyas, Founder · 04 Sep 2026
